

SLATE FOR EVERYONE -

We need your slate in a close-up, then walk all the way back so we see your full body and profiles and then walk back up to a close-up. Kids say your age in the slate. Yoga mom talk about your experience with yoga and your cooking experience. Guitar players talk about your experience playing guitar.

ACTIONS FOR EVERYONE -

YOGA MOM -

You are doing these 3 scenes. Do a couple takes of each scene. Play - have fun - be creative. I love when you embrace your environment - you do not need to make a fake studio - go outside and actually grill, find a nice place in your home to do your yoga moves, etc. Just be an artist - be creative. You can actually talk and have fun during these scenes.

1. You are teaching a class - about 1 minute to 1.5 minutes of your best yoga moves.
2. You are outside grilling with your kids - preparing dinner and having fun.
3. You are designing and printing large posters to put up at and promote your studio. Maybe you are pretending to be sitting with a UPS store associate - working out your plans.

YOGA KIDS -

You are doing 1 scene.

1. You are setting the table outside for dinner with mom! If you want to do it outside - great. I love when you embrace your environment. Just have fun, good energy, play. You can actually talk, skip, have fun - do whatever your heart desires.

REAL GUITAR PLAYER -

You are doing 4 scenes. Do a couple takes of each scene. Play - have fun - be creative. I love when you embrace your environment - you do not need to make a fake studio - find a nice place in your home to teach your guitar, actually sit by your tv to play video games, etc. Just be an artist - be creative. You can actually talk and have fun during these scenes.

1. You are teaching guitar - about 1 minute pretending to teach.
2. 1 minute playing your best guitar song.
3. You are playing video games with your son - having fun!
4. You are working with a UPS Print Consultation Desk showing printed "Guitar Lesson" flyers to an impressed SBO.
